SIGGI B. WILZIG: FROM AUSCHWITZ NIGHTMARE TO THE AMERICAN DREAM

1000+ Amazon Ratings, 4.6 stars ★ #1 In Jewish Biographies

★ ABOUT UNSTOPPABLE

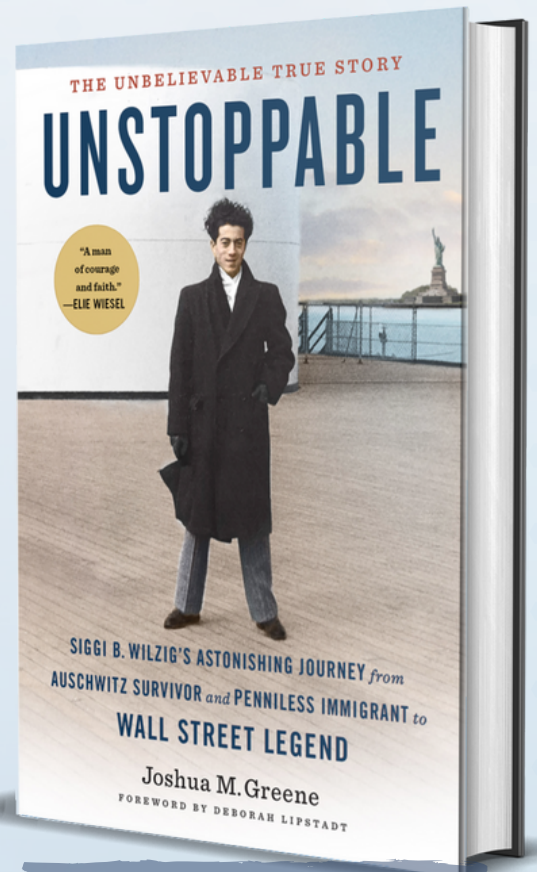

In this popular lecture based on his bestselling biography, Joshua M. Greene traces the incredible journey of a diminutive, uneducated, penniless survivor from his arrival in America in 1947 to creator of an oil and banking empire with assets of more than \$4 billion. The late Siggie Wilzig is a Wall Street legend whose uncanny instincts and outlandish tactics helped him overcome formidable hurdles in two of postwar America's most antisemitic industries. Wilzig rose to become a co-founder of the Washington Holocaust Museum, a renowned public speaker, and a leading supporter of the State of Israel. *Unstoppable* has been #1 in Amazon's Jewish biographies for weeks and was voted Best Holocaust Book of the Year (L.A. Book Awards). A miniseries is in development based on the book.
